ADDRESSING ALCOHOL OVERCONCENTRATION THROUGH ZONING AND PLANNING

KEYNOTE SPEAKER:

Debra Furr-Holden, Ph.D.

Debra Furr-Holden is the interim director of the Michigan State University Division of Public Health and director of the Flint Center for Health Equity Solutions. She is also the co-director of the Healthy Flint Research Coordinating Center at Michigan State University.

Dr. Furr-Holden is an internationally renowned epidemiologist and public health professional with expertise in drug and alcohol dependence epidemiology, psychiatric epidemiology and prevention science.

Her work is focused on behavioral health equity and policy-level interventions to promote health equity.

The Alcohol Policy Panel of San Diego County is a volunteer coalition of diverse community leaders who are concerned about the impact alcohol abuse is having on our communities. Members provide leadership to the County's Binge and Underage Drinking Initiative, which develops strategic, community-based and environmental prevention campaigns to reduce underage and high-risk drinking. This meeting is made possible with funding from the County of San Diego, Health and Human Services, Behavioral Health Services.
