## A Plan for Prevention Funding and Reducing Alcohol Harms

### KEYNOTE SPEAKER:

**Tracey Rattray, MPH, MSW**

Tracey Rattray is the executive director of the California Alliance for Prevention Funding.

She works with partners to advocate for the creation of a State Wellness Trust that will provide sustained, dedicated funding for chronic disease and injury prevention.

Proposed funding for the Trust will come from targeting substances that commonly create health problems in the first place – alcohol and sugary beverages. This proposed fund has the potential to reduce alcohol-related harms through a variety of best practices.

**This event will be live streamed.**

*The Alcohol Policy Panel of San Diego County is a volunteer coalition of diverse community leaders who are concerned about the impact alcohol abuse is having on our communities. Members provide leadership to the County's Binge and Underage Drinking Initiative, which develops strategic, community-based and upstream prevention campaigns to reduce underage and high-risk drinking. This meeting is made possible with funding from the County of San Diego, Health and Human Services, Behavioral Health Services.*
